

LIGHTING EFFECTS DRIVE

Sun Prairie Utilities is accepting monetary donations to be distributed to our less fortunate neighbors through the Spirit of Giving Program of the Sunshine Place. For every \$20 donation to the Spirit of Giving Program made through the SPU Business Office, Sun Prairie Utilities will give you 1 strand of LED Holiday Lights. These lights use 1/10th of the energy as compared to traditional mini lights.

This offer is limited to 3 light sets per customer. Donations are being collected through December 7, 2021, at our business office, 125 West Main Street. We know that many people have a hard time paying for their bills during winter and these donations are one small way you can effectively help keep our neighbors warm. Consider helping today.

At Sun Prairie Utilities, we believe affordable public power strengthens our community and helps our neighbors. That's why, through WPPI Energy, we're partnering with other local not-for-profit utilities to share resources and lower costs.
