

PUBLIC NOTICE TO ALL CUSTOMERS OF SUN PRAIRIE UTILITIES

Sun Prairie Utilities (Utility) has filed an application with the Public Service Commission of Wisconsin (PSCW) to increase water rates. The increase is necessary due to a 22.25 percent increase in gross plant investment and a 47.29 percent increase in operating expenses since the last water rate case was completed in 2021. This includes costs for the Utility's new operations facility on Linnerud Drive.

The total increase in water revenues requested is \$1,867,749, which will result in an estimated overall rate increase of 35.84 percent over the water utility's present revenues, which would be implemented in two steps. The proposed Step I increase of \$1,487,316 would take effect following the issuance of the Final Decision. The proposed Step II increase would be an additional increase of \$380,433 over Step I rates. The Utility would implement the remaining Step II increase when the Well No. 10 project, as authorized in docket 5810-CW-109, is completed and placed into service.

If the request is granted, the water bill for an average Residential customer with a 5/8-inch or 3/4-inch meter who uses 600 cubic feet of water per month will increase from \$27.74 to \$35.81, or 29.09 percent, including the public fire protection charge, after Step I is implemented, and from \$35.81 to \$37.68, or 5.22 percent, after Step II is implemented, for a combined increase over current rates of \$27.74 to \$37.68, or 35.83 percent.

A public hearing on the application has been scheduled for Monday, October 13, 2025, at 11:00 a.m. Parties and Commission staff appear by Zoom. Parties and Commission staff may use the telephone connection as a backup or if no adequate internet connection exists. Members of the public participate by Zoom or may use the telephone connection as a backup or if no adequate internet connection exists.

Sun Prairie Utilities
Commission Room
125 West Main Street
Sun Prairie, WI 53590
