## **Sun Prairie Utilities Shows Gratitude through Basket Donation**

SUN PRAIRIE, (Wis.) — In the spirit of the season, Sun Prairie Utilities staff members recently created a holiday basket and donated it to the Sun Prairie Fire and EMS as a show of neighborly appreciation.

“We felt it was a nice touch to show how grateful we are to have the Sun Prairie Fire and EMS as a part of our community,” said Lori Ewoltdt, Operations and Purchasing Coordinator at Sun Prairie Utilities. “Our staff work hard to make sure everyone thrives, so this is a token of gratitude to others who deserve recognition for doing the same.”

Holiday Gratitude Baskets are meaningful gifts that express appreciation to those who positively impact a community. Sun Prairie Utilities filled its basket with holiday treats, including hot chocolate mixes, candy canes, and festive chocolates.

Sun Prairie Utilities is a locally owned municipal utility that provides water and public power to City of Sun Prairie residents. The mission of Sun Prairie Fire and EMS and its impact on the area align with the utility's spirit of fostering community well-being, and utility staff hope this basket inspires others to give back.
