

JOIN POWERWISE FOR SUSTAINABLE SAVINGS

Sun Prairie Utilities' PowerWise program helps businesses reduce energy costs and meet sustainability goals. This is a voluntary program for businesses, designed to help better understand billing details, energy usage and available financial resources for implementing energy efficiency measures.

PowerWise

TO IMPLEMENT POWERWISE AT YOUR BUSINESS:

Login to MyAccount.
Select the Property Tab and then select Actions.

Register for the **PowerWise** program.

Select the energy saving tiles in the order that works best for you.

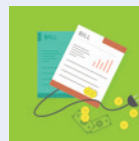

Review and complete tasks to become a **PowerWise Performer!**
