

HOW TO READ YOUR NEWLY DESIGNED UTILITY STATEMENT

A Your account information including Account Number, Service Address, Statement Date and Service Period are clearly displayed in the top right corner of the statement.

B The Previous Balance is the amount that was due on the previous month's bill. This section also displays any outstanding charges due on the account listed as Balance Forward.

C Individual charges are displayed here. Each type of service is subtotaled.

D This is the Total Amount Due, including any past due charges carried over from previous billing cycles.

E This is one of three message areas that we will use to display important information each month. Additional messages are located on the back of the bill.

F Track your current water and/or electric consumption with convenient graph(s) located here. Compare your current usage to your usage last year and set conservation goals.

G Detach this pay stub and return with your payment. On this pay stub, you will find your Account Number, Service Address, Statement Date, the Due Date and the Total Due. If the amount you are paying is different than the amount due, please write the payment amount in the Amount Enclosed space. Checks should be made payable to Sun Prairie Utilities, and should always include your account number. Please do not staple, tape or fold your check or pay stub.

H Be sure to check the back of the billing statement for more usage details and other important information.

Lowering your energy costs is easy once you know where to start. And that's what our free online energy analysis is all about. With answers to some basic questions about things like the age and condition of insulation, electronics and major appliances you can finally pinpoint the energy wasters in your home. **L**

Even better, you'll know exactly what to do about them, thanks to 24-hour access to our easy-to-use tools, including an energy library and an interactive house with practical, room-by-room advice. There are even online home improvement calculators that can figure out just how much money an upgrade (like new insulation) could save. Turns out, they can save a lot. Visit the Home Energy Suite online at wppienergy.org/homeenergy.

When does being local matter most? When our neighbors can count on our quick response, especially after a storm. We'll make sure danger passes with the storm, and you can do your part, too. Turn off lights and unplug your devices while the power's out. Avoid flooded areas and debris. Stay in your home or vehicle and give us a call.

With public power, the good we do stays right here. Because we're here. For you. Learn more at whypublicpower.org.

DUE DATE
Your current charges are due and payable by the due date shown on this statement. A 3% late payment fee will be applied to bills not paid within 20 days from issuance.

POWER COST ADJUSTMENT (PCA)
The PCA provides monthly adjustment of power costs relative to base rates. This adjustment can be positive or negative, which will increase or decrease your monthly energy costs. This assures you get charged the actual cost of energy consumed.

BUDGET BILLING
This plan estimates annual usage and an equal payment each month over our budget year (July-June).

STORM WATER CHARGE
This is a City charge for storm water runoff of the impervious area of your property. Call City of Sun Prairie Engineering at 837-3050 if questions.

PAYMENT OPTIONS
ELECTRONIC BILL PAYMENT - a FREE electronic transfer of funds from your savings or checking account.
