PHOTO SCAVENGER HUNT LIST

RELIABILITY

1. SPU Street Light Outage reporting feature on our website (Screenshot it & share!)

2. Electric meter at your residence (Look how much energy you use, even when you think everything is off!)

3. Water meter at your residence (New water meters will alert you when they think there is a leak and a symbol appears! The old meters will show you a leak by seeing if the dial is moving even if no water is running in the house.)

4. Any rebate form from Sun Prairie Utilities (Check our website... Hint, hint!)

5. Information about our 510 Linnerud Dr. facility

6. Solar Panels outside WPPI Energy

7. Sun Prairie Utilities payment drop box (We have one!)

8. An SPU employee… Bonus point if you are with them!

9. MyAccount Outage Alert system (Screenshot that you're signed up!)

10. Water tower (We have 3 - Please do not enter them!)

11. Fire hydrant

12. Sun Prairie Utilities vehicle

13. LED bulb in your Sun Prairie residence or business

14. Electric vehicle charging station in Sun Prairie

15. Power strip in use (These can save you $... Remember to shut off when not in use!)

COMMUNITY ENGAGEMENT

16. Angell Park Dream Park

17. Columbus St. water tower (Circa-1899)

18. Renstone Park Shelter (We built it!)

19. Sun Prairie Public Library

20. Sun Prairie City Hall

21. Sun Prairie Civic Theatre

22. Sun Prairie Aquatic Center

23. Sun Prairie Historical Museum

24. Gazebo in Prairie Lakes

25. SP Westside Community Building

26. Patrick Marsh trailhead sign

27. Outdoor artwork/statues in Sun Prairie

28. A footbridge in any city park

29. Farmers Market in Sun Prairie
